

Motorcycling South Australia Inc.

The Administrative Body for Motorcycle Sport & Recreation in South Australia

Motorcycling SA Regional Volunteer Award:

Motorcycling SA Regional Volunteer award is to recognise the outstanding hard work of our club & Associations Volunteer from specified areas around SA.

Volunteers are the lifeblood of grassroots sport and give up a lot of their own personal time to help run the sport that we all love. Volunteers are dedicated people that not only give up large amounts of personal time, but also can act as positive role models for other club members and riders.

Volunteers take on a number of critical roles in clubs, including: Club executive and committee office bearers, officials, coaches, track maintenance crew, event coordinators, fundraisers, sponsorship coordinators, or hard working canteen staff on race days.

Motorcycling SA will honour volunteers through the Regional Volunteer award. Motorcycling SA recognises that in each geographical area, and indeed in each club there will be outstanding volunteers. Whilst it is difficult to identify one person or group, it is hoped that this structure will better reward those individuals that have contributed so much to our sport.

All nominees will be recognised, with the winner in each region being formally celebrated at the 2016 Night of Champions awards night on 19th November 2016.

Criteria:

- Volunteer Areas: Officials, Committee members, Coaches, Track Prep, Canteen staffs, fundraisers and any other members that have a direct contribution to the club or sport
- Dedicate their own personal time
- Outstanding contributions to their club & the sport
- Always the willing to put their hand up to help out
- Volunteer should have a positive attitude & be a positive role model to the riders, club members and community
- Dedicated and committed person to the sport

If you or your club knows a volunteer that works tirelessly for your club and the sport, please nominate them.

All nominees regardless if they win or not will be recognised at the Night of Champions, to give them the credit they deserve for their contribution to the sport.
