Motorcycling Australia has been the face of Australian motorcycle racing since the 1920s. Now we're giving you the opportunity to benefit from the buying power that having more than 26,000 members gives us.

Welcome to Motorcycling Australia Member Benefit program

If you ride a sportsbike, a scooter, a quad, a trail bike or a cruiser, you belong with us – Motorcycling Australia Riders' Division. When you join, you become part of a unique membership program that will return benefits to you many times over. We've already established partnerships with more than 100 organisations, saving you on bike insurance, accommodation, car servicing and rentals, bike rental and magazine subscriptions.

But it's not just about saving money. You'll also get personal invitations to take part in dozens of events – rides, shows and rallies run by more than 360 Motorcycling Australia affiliates. Motorcycling Australia Riders' Division will also take you to places you've always dreamed about – overseas tours to motorcycling meccas, organised tours on- and off-road, even download great rides you can do with mates.

And when you are on the road, if you get into trouble, you'll be able to call one number, wherever you are, to rescue you and your bike. Unprecedented security for Australian motorcyclists.

not just bike stuff

Some of us actually have a life outside bikes, and for those times, your Motorcycling Australia membership will give you access to a whole lot of extra benefits. Whether it's a mixed dozen of Australia's greatest wines at a cheaper than the wholesale price or a new high-performance computer. Most of the deals aren't the buy-one, get-one-free kind; they're just great prices on the things that you actually want or need. All you need to do is show your MA card.

Keeping you in touch

Motorcycling Australia Member Benefits are growing so fast, we want to keep you up to date on all of our new partners, their offers, some amazing short-term special offers using our fortnightly email newsletter.

We need your email address so we can send you on-going updates of what's new and coming up, information on events, and the latest deals. To get more information about Motorcycling Australia Member Benefits, check out our website: www.ma.org.au

To sign up

Simply visit Motorcycling Australia's website – www.ma.org.au and click on the Join Us link where there's a lot more information and application forms- online, and ones you can download and send in if you prefer.

Already a Motorcycling Australia member?

If you have an MA licence, as a racer, volunteer or official, you have automatic access to the benefits of the Riders' Division – at no extra cost. Just use your licence number and date of birth to log in at www.ma.org.au to find out more.
