Completed report by Sharon Warnest on the 2<sup>nd</sup> December 2010

### 2010 Inaugural Minikhana

On the 21<sup>st</sup> November 2010 Motorcycling South Australia (MSA) held their first Minikhana event in South Australia, this was held at the Gillman car park on Wilkins Road. I have been liaising with Colin Foulds from New South Wales (NSWs) for some time now and even went over to NSWs to see how it was done as NSWs have been doing Minikhana for the last 30 years or so. They have seven clubs with approximately 1000 juniors participating in this event each year. They hold an Interclub Series as well as a recognised State Title. Our goal in SA is to eventually hold an Interclub Series and then a State Title and be able to compete in the National Title of Minikhana when it is brought in.

### I would like to give a big thank you:

To Colin and Liam Foulds for coming over from NSWs to help set up the event area, introduce and demonstrate the event and helping run the day.

to Mick Potter for volunteering his services in cutting the grass setting up the mini x track and watering the event area and for MRA coming in to sell drinks and help with the signing on and scrutineering, this would include Tania Corbett, Debra O Donoghue and Glenn Potter.

to my partner Peter Cunningham as he helped set up and pack the event area, designed the mini x track, collected and returned the bikes and toilets, put plug ends in the bikes and was chief scrutineer on the day

### Big thank yous

To Daryl Rose agreeing to be Steward (no payment), Gil Harris for assistant scrutineer and looking after new riders in a designated area, Jo Fowler for helping with sign on and to Adam Davey and Felicity Parsons the St John first aiders.

**To all the parents and riders that helped make the day successful.**

A special thank you to

Bridgeland

And

Yamaha Pitmans

For their support of the Minikhana Event and for the Sponsored Encouragement Awards

We had 52 juniors at the event which included 15 demonstrators 50cc. We had 6 MSA loan bikes used on the day this included 5 x 80cc and 1 x 50cc. 50cc demonstrators received participation awards and ribbons, the competitive juniors received a participation award and 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> ribbons and outright trophies. I have included the results page for those interested so you could see how the scoring system works. Other than the heat being 32° the event was successful and the parents and juniors were excited by this new discipline. The emphasis on skills and bike control was evident and the most consistent riders of the day ended up winning the outright trophy for their class.

I have booked in the 6<sup>th</sup> March 2011 for the next Minikhana at Tailem Bend Motorsport Park. I will email and post to those who rode when further details are available and post it on the website.

Congratulations to all those who attended as the event wouldn't have been the same without you.  
**AWESOME!**

**GREAT SPORTSMANSHIP**

Kind regards

*SWarnest*
