### **2010 Manual of Motorcycle Sport available online**

The 2010 Manual of Motorcycle Sport is now available to view and download from the Motorcycling Australia website at [www.ma.org.au/2010moms](http://www.ma.org.au/2010moms).

All motorcycle competition is conducted according to the Manual and this annual publication will shortly be distributed to all licence holders, Officials and members.

The Manual contains rules and guidelines for participating in and conducting motorcycle sport, and include the General Competition Rules as well as other relevant information on motorcycle sport.

The rules are designed to ensure fair and safe competition for all involved.

The 2010 edition is available in its entirety and also by chapter on the website and any rule changes come into effect on 1 January 2010.

Rule changes made in the last 12 months have been bolded, and similarly rule deletions from the last 12 months have been struck through.

Previous editions of the Manual are also available to download.
