

Lee Hogan's Building Champions Program, in conjunction with Honda Motorcycles and Fox Racing presents-

Groms on the Gas!

A nationwide search for our countries most talented junior motocross rider!

Judging Categories

We will travel to each state of the country with a selection process involving four separate categories to find our most all round talented Junior MX rider. The four judging categories will be:

- Rider Technique
- Fitness (Shuttle Run Beep Test)
- Public Speaking
- Lap Time

Judges

The judging of the three categories will be done by:

- Lee Hogan- 11 times National MX/SX Champion, Director of the BCP Program & co-host of MXTV.
- Ben Schodel- Queensland coach of the year.
- Brendan Bell- Founder and host of Australia's only motocross television show- MXTV.
- Mick Sinclair- Fox Racing

Entries

Junior riders between the ages of 8 and 15 will be eligible to enter the competition. If a rider has turned 16 prior to January 1 then they will not be eligible to compete..

Our junior riders in each state will be eligible to enter through a 'Building Champions Program' riding clinic to be brought to each state of the country for the specific purpose of this competition. The clinic will be run over 2 days with the judging and presentation of the winner to be conducted at the end of day two.

In the event of excessive entry numbers, a second '2 day' clinic will be conducted on the following two days. A winner will be crowned from each of the 2 clinics. The winning scores of both riders will be tallied from all 4 categories to see who will represent their state in the Grom's on the Gas Competition.
