## ***Junior Coaching Program survey for parents***

As part of an ongoing review of the Junior Coaching Program (JCP), Motorcycling Australia has released the first in a series of surveys created to gather feedback from relevant stakeholders.

Available for two weeks, this first survey targets **parents** of junior riders who have sought coaching for their children since the implementation of the JCP in mid 2006.

Details of other surveys and future opportunities to assist Motorcycling Australia in reviewing the JCP will be advertised upon their release.
