What made you decide to get into coaching/officiating? It is important to have a gender balance, especially in the area of coaching, as it is such a male dominated sport; to support Rob

Coaching/Official achievements: being able to officiate at State Title rounds, being involved with top level state off-road riders as a coach; starting our own event promotion and coaching business

What is the best "Girl Only" motorcycle event that you have attended (as a rider, spectator or official)? Never been to one. I guess the womens class at the A4DE

Best part about coaching/officiating: watching kids improve and seeing the expression on their faces when they master a skill
