## **LOCAL JUNIORS SET TO DOMINATE SA ROAD RACE CHAMPIONSHIPS**

A star studded junior field from all over Australia will be challenged hard by our local junior stars, Arthur Sissis and Daniel Falzon this weekend at Mallala Motorsport Park.

Arthur recently returned from Europe after contesting the 2009 Red Bull Rookie Cup. The talented star was the top scoring Aussie in the 8 race series in his first ever road race season. Daniel Falzon showed his talent by winning the MRRDA national junior series as well as the Victorian Hartwell 125cc Championship.

A record strong field of 17 juniors racers from most mainland states will contest classes from 70cc-160cc for the SA championships and Master of Mallala. Tough competition is expected from Zac Zanesco, Lockart, Levy & Craig (NSW), Bart (Vic) Millington and Gardner (WA) and NT champs Lambert and Rowe.

In the open classes, Superbike and Supersport fields will be strongly contested by some of the fastest racers in Australia. Adam Christie (Honda CBR1000), Adam Dawes (Suzuki GSXR600) and Graham Snaith (Yamaha R1) will be trying to stamp their authority in their respective classes. Open Championship Classes will include Superbike, Unlimited, Supersport, Superstock and 125GP.

Saturday will be an open practice day for competitors and road riders with free entry for spectators. Sunday will be \$15 admission for adults with children under 15 free with racing starting 10am.
