

Profile

Name: Natalie Clothier

Nickname: Nat

Date of Birth: 16/02/1984

Place of Birth: Bordertown, SA

Height: 165cm

Weight: 70kg

Occupation: Customer Service Rep Level 2 Westpac

Pets: 2 ducks, 1 chook, lots of possums

Hobbies: housework avoidance, cooking with my daughter, reading everything in sight

Club: Mud N Tars MCC

Age when started racing: 23

What was your first machine? Yamaha Wasp sidecar 650 - #26

What made you decide to get into motorcycle riding? Dad was having heaps of fun so I decided to join him as his passenger in the SA Dirt Track Champs!

Racing achievements: I'm still going! And I've stopped screaming "SLOW DOWN" as much!

Team of people who travel with you to events: mum (Rosie), partner (Willy), daughter (Kira) and of course dad (Roger)

Discipline competed in: dirt track – classic 651 – 1100cc

Goals for the Future: win a race without the other guy breaking down or falling off!

Role models/Most respected rider(s): all of my fellow sidecar riders – we do something really special

What is the best "Girl Only" motorcycle event that you have attended? They have these?? WOW

Best part about racing: fantastic atmosphere, having everyone else cheering you on and supporting you; the great advice from other riders and the feeling of a 'sick slide' round a turn!

Worst part about racing: haven't got that far yet!

Sponsors (if any): support team: Nigel @ Bordergym who is training me to be strong, and my co-workers who put up with my sooking after a big race day

Career Highlight: starting a career!

Toughest competitor(s) competed against: Darren Williams and Dave Tomlinson

Any riding rituals: DON'T FALL OFF

Normal pre-competition meals: coffee and whatever looks good at 6am

Worst injury sustained from riding: I don't fall off

FAVOURITE:

Food: pizza

Colour: red

Type of machine: The Wasp – too scared to get an anything else

Track or race circuit: Day Road, Victor Harbour

Favourite sport apart from Motorcycle sport: AFL (armchair only)

Favourite Sporting team/s: Essendon Bombers
