

**Press Release – SA Womens MX Cup**

June 11 2010

July 4 2010 is the date to remember. The first SA Womens MX Cup is being held at the Murray Bridge MX Track at Monarto. Past home to the National MX and Quad MX titles, this track will surely provide sensational racing for both competitors and spectators alike as the women battle to take the title. With prizemoney in the vicinity of \$5000 up for grabs, along with a perpetual trophy, the women are guaranteed to be well rewarded for their efforts.

The event is being well supported by the motorcycle industry with more sponsors still coming on board. The day will be a great day as the event is being run in conjunction with the SA Clubman and Veterans MX Championship. This event will become a permanent fixture for Womens MX in SA.
